## Wetwang Weekly News

38 09/10  
Friday 16<sup>th</sup> July 2010

Hello Everyone.

The newsletter is coming out on Friday this week to give notice of things leading up to the end of term. We break up next Friday and return to school on Tuesday September 7<sup>th</sup>.

The most important thing to note is that Celebration Assembly will be at **2.30** and school will finish at **3pm**. We will **not** be running an after school club on the last day. If you cannot collect your child at the earlier time please let us know. We need to empty the mobile ready for the floor to be repaired and flooring fitted so would like help from parents at 3pm to shift things into the big classroom. This will be very appreciated. There will be workmen coming in the following week, and throughout the holidays.

You should have already noted that the lunch arrangements are varied during the last few days, so please check if you haven't picked that up. We are looking forward to the 'Teddy Bear's' picnic on the last day and will be getting a treat for everyone for afters!

Also on the last day we will be going to Church for 9.30 for the Leavers Service and whole-school prize-giving. Everyone is welcome to join us for this and share in our celebrating another excellent year in school. We put a lot of thought into deciding who will receive prizes. We are grateful to FOWs for donating funds for prizes, and to Mrs Albinger for going shopping to buy the books.

Mrs Albinger also organised the Jump Rope for Heart event, and if you have any sponsorship money to collect for this please make sure that we get it in as soon as possible so that we can send it to the British Heart Foundation. As a result of taking part in this event we get to keep the £100 skipping kit! The School Council will decide which charities we will support next year once the new representatives are elected next term.

Mrs Kay says please not to send in Show and Tell from now, until next term. We will also be sending work and belongings home next week so each child should bring a carrier bag or two to school. Please have a look at workbooks that come home and share them with your children before they get put away.

Thank you for your support for the Sledmere festival. It was a super evening again, and we were lucky that the fine weather held. I hope you all enjoyed it. The children have worked hard and enjoyed preparing for the event and it made us all very proud to hear them. Thanks to Tracy Borrill for making up the fruit basket that was our school contribution to the raffle, and to the staff who have worked hard on the music in school.

I thought that you might be interested to know the results of the gardening competition. We took around £60 from the sale of our bedding plants, so these schools must have been charging a fair bit!!! I have to say that the petunias I bought are looking lovely now they are in flower.
